

Mobile Healthcare Vehicles

MOBILE BLOOD COLLECTION

Mobile Blood Collection Unit

At Enak ,we convert the "Mobile healthcare Vehicles" according to needs and wishes of customers all around the world.We have started our operations in Germany in 1993 and continue our 28 years of experience in Türkiye and are exporting worldwide.

Enak , continues its activities. in Türkiye, which provide the most accurate and superior quality and reliable delivery is part of our success as well as tailor made solutions and we are committed to our customer satisfaction with competitive prices and fast service.

This vehicle consist of 3 rooms as below,
Technical room
Blood-taking section,
and the cabinet for medical devices and supplies.

Our blood collection vehicles ,offer privacy, space and a hygienic environment for donors, so they feel they are having the same experience they would at a static donor centre. They can be fitted with a waiting area, sinks, practical work surfaces and a spacious area for as many as six seats/beds to ensure shorter waiting times.
